INTERNATIONAL OVERVIEW 2025

WHY CHOOSE TO STUDY AT MIT?

MIT exists to transform the lives of our students, their families and communities. We are the place for all people. Our relationship with our students is a lifelong connection.

We celebrate and draw upon our diversity.

Our cultural traditions, languages, beliefs, and skills draw from many ethnic groups. People from all walks of life flourish at MIT, creating a rich tapestry of understanding and then spreading it out across the world.

At MIT we offer a range of internationally recognised qualifications.

Many of our programmes offer industry projects and work placements to get you work-ready. There's something for everyone — from entry-level certificates to diplomas, degrees and specialised graduate diplomas.

We also offer English language and study preparation programmes to support your study in New Zealand.

Live, learn and play in New Zealand.

New Zealand is a diverse and culturally rich country with a great climate, friendly people and outstanding natural beauty.

Our campuses are based in Auckland, New Zealand's biggest city. Feel at home in this vibrant city with plenty to do and see. You are also just a short journey away from many popular tourist attractions.

This fast growing city has many exciting career opportunities and is in need of skilled workers in a variety of different sectors.

Hands-on skills

At MIT, you will apply classroom learning to real-world situations and graduate with the hands-on skills that are in demand.

Get support from day one

When you join the MIT family you will be supported to learn the skills you need to get the job you want.

It matters where you study

MIT has been awarded the highest rating, Category One, by NZQA so you will have confidence in MIT as your choice for international study.

Get job security

We work closely with industry and employers to ensure what we teach is what is needed in today's changing market.

OUR COMMITMENT TO PASTORAL CARE

The safety and wellbeing of all our learners is important to us. We have a wide range of support systems, services and resources available to ensure our international students are cared for and supported during their time with us.

We're required by law to meet New Zealand's International and Domestic Pastoral Care Code, (the Code) which applies to all registered tertiary providers across the country. This is administered and monitored by the New Zealand Qualifications Authority (NZQA).

An updated Code came into effect in January 2022 which mandates one set of clear rules and expectations for embedding safety and wellbeing into systems and day-to-day practices – tailored to learners' needs.

Here's a summary of the Code as it relates to international students.

Tertiary providers should ensure international students:

- are protected and supported from when they leave their home country, to when they finish their education journey
- are aware of their rights and protections
- feel safe and happy while studying in New Zealand
- are provided correct information through agents, who act professionally
- are aware of the terms and conditions of their enrolment.

HOW TO APPLY

1

CHECK THAT YOU MEET THE ENTRY REQUIREMENTS

Once you have decided on your programme, you will need to provide proof that you meet the entry requirements. Each programme has its own entry criteria based on academic achievements, qualifications and/or work experience. Check these online at www.manukau.ac.nz

Make your experience count

Get ahead in your career and fast track your qualification by acknowledging what you already know with Recognition of Prior Learning (RPL). RPL may be available to those who can prove competence through work experience, life experience, prior study or a combination of these. Fees may apply.

2

APPLY TO STUDY

Apply at www.manukau.ac.nz

Visit the international students section of our website for more information on applications and supporting documentation.

To apply you will need to contact our International Team.

international.application@manukau.ac.nz
